WHO IS THE CSL RESALE ADVANTAGE PROGRAM FOR?

Does this sound like you?

Resale Advantage is built for CSL borrowers nearing their exit, and thinking about the sale side of their project.

Approaching Resale or Maturity

If your project is 60–120 days from listing or loan maturity, early coordination gives you the most room to plan the exit on your terms.

Repeat Borrower

Selling one project to move into the next? A coordinated listing-to-payoff process helps each cycle run smoother than the last.

No agent or escrow lined up yet

If you haven't selected a listing agent or escrow company, you can request introductions to options familiar with CSL projects — with no obligation to use them.

KEY ADVANTAGES OF THE CSL RESALE ADVANTAGE

What changes when you use the program

Same project, different exit. Here's how a coordinated path compares with handling the sale on your own.

	CSL Resale Advantage	Going It Alone
Listing commission	✓ Pre-negotiated 1% listing commission through Innovate Realty	Standard 2.5–3% listing commission
Escrow familiarity & fees	✓ Honest Escrow knows CSL payoffs — seller escrow as low as \$500	May not know CSL payoffs — standard escrow fees
Marketing	✓ InnoLaunch marketing (incl. pre-completion) — with an Innovate listing agent	Standard MLS listing, after completion
Coordination	✓ One coordinated process across borrower, lender, agent & escrow	You manage agent, escrow & lender separately
When you can start	✓ Plan earlier — 60–120 days out	After the project is fully complete
Your obligation	✓ Fully optional — always your choice of providers	–

KEY ADVANTAGES OF THE CSL RESALE ADVANTAGE

What you can request through the program

Eligible CSL borrowers can ask for information about any of the following. Everything is optional — pick what's useful to you.

Exclusive 1% listing fee

A pre-negotiated 1% listing commission through Innovate Realty — versus the typical 2.5–3% — with InnoLaunch marketing included when you list with an Innovate agent.

Listing marketing support

InnoLaunch marketing support to help put your property in front of more buyers — Innovate can even begin marketing before construction is finished, so you reach the market sooner. Included when you list with an Innovate Realty agent.

Southern California agent network

Access to Innovate's Southern California agent network for your listing.

An escrow option that knows CSL

Honest Escrow is familiar with CSL payoff and closing requirements. For CSL borrowers, seller-side escrow fees are reduced — as low as \$500 per seller; buyer-side fees remain standard.

Earlier resale planning

Start planning the resale before your project is fully complete, so listing, escrow, and payoff line up instead of stacking up.

One coordinated process

A more coordinated process between you, your lender, your agent, and the escrow team — designed to reduce friction at closing.

A TRUSTED NETWORK OF PROFESSIONALS

You Created the Value. Keep More of It.

The goal is simple.

Buy, renovate, or build. Increase value. Sell. Repeat.

You worked hard to create equity. When it's time to sell, more of that value should stay in your pocket.

CSL Resale Advantage gives Center Street Lending borrowers access to preferred pricing and trusted real estate and escrow professionals who already know the CSL process, **making the final stage of your project simpler, more coordinated, and more cost-effective.**
